CLUB NEWS

MINUTES: GCCG MEETING OF OCTOBER 7, 2005: by Marilyn Ash, Secretary

Present at meeting: President: Roger Scott, Vice-Pres., Marvin Luke, Sec-Treas. Marilyn Ash, J.C. Ash, Forrest & Myrna Andrews, Bob Mooney, Jim Brewer, Jerry & Karen Rotert, Jerry Henry, Richard Hawk, Van Upky, Tim & Becky Palmer, John Harris, Gary, Mary & Jennifer Baxter, Mike & Marla Sweaney, and Paul & Irene Brinker. Roger called the meeting to order at 6:30 p.m. He introduced new members Paul & Irene Brinker. Roger encouraged members to attend the All Corvair Show, Oct. 8th at the Bank First parking lot, 41st and Yale. He then reported on the Wichita Corvair Roundup. We had 13 members attend. At the event Bob Mooney won 1st Place in the Participants Choice with his '66 convertible. In the Concours, J. C. Ash scored 90.99 percent with his '62 Rampside, Richard Hawk scored 89.97 with his '65 Coupe and Forrest Andrews scored 88.18 with his '67 Sedan. Richard Hawk also raced two Valve Cover cars that he had built with the help of his kids. Although he did not win the final race, he had a lot of fun and it gave our group someone to root for. It is now official that we will host the next Great Plains Corvair Roundup in Tulsa. The date will fall sometime in September or October of 2006. The committee will be working on the details of that event as well as preparing for the March 2006 Car Show. The Christmas Party will be hosted by Mike Phillips at his home in south Tulsa, on December 3rd at 5:30 p.m. Mary Baxter will be co-ordinate the food. The Club will purchase the meat. Roger reported that the Club had received a nice Thank Your note from the Red Cross for our donation to he Hurricane Relief Fund. Two tech sessions are on the agenda for the future. Mike and Marla Sweaney want to have a session on the air conditioning in "Dr. Kevorkian". Also, Taylor Brown has purchased a new wiring harness for his Lakeside and it needs to be installed. Those dates will be worked out later. The next meeting will be on November 4th, 2005. The meeting was adjourned at 7:10 p.m.

CHRISTMAS PARTY: The annual Christmas party will be held in the home of Mr. and Mrs. Mike Phillips, located at 11721 South Canton Avenue on **December 3, 2005** starting at 5:30 p.m. They have an unusual home and one which any car lover would enjoy. Plan to attend. As usual, this will be a pot luck dinner but the Club will provide the main meat dish. Chairpersons for this event are Mary Baxter and Marvin Luke. Mary will be contacting you about the type of dish to bring. If you have any questions please give her a call. **THERE WILL NOT BE A REGULAR FRIDAY DINNER MEETING IN DECEMBER.**

TREASURER'S REPORT: Treasurer Marilyn Ash reports a balance in the account of \$2,039.59 and all bills are paid.

15th ANNUAL CORVAIR SHOW: The 15th Annual All-Corvair show was held **Saturday, October 8** at the Bank First parking lot, 41st and South Yale. The show started at 10:00 A.M. but many members were there by 9:00 putting the polishing touches on their Corvairs. Members in attendance with their Corvairs were: Forrest Andrews, Bob Kinser, Roger Scott, Gary Baxter, Bob Mooney, Glen Bevel, Chuck Andrle and Paul Brinker. Felix DeGeyter brought a Glen Pray Corvair-powered Cord. In all ten cars were on display. The weather couldn't have been better and everyone had a great time. GCCG expresses its thanks once again to the folks at Bank First for the generous use of their facility. In the spirit of Halloween Felix brought a co-pilot with him. Hmm, which one is Felix? More pictures on page three.

GREAT PLAINS REGIONAL CORVAIR SHOW: WICHITA KANSAS:

Thirteen members of GCCG attended the *Great Plains Regional Corvair Show* held in Wichita, Kansas September 30 to October 2, 2005. Attending were Roger Scott, Marvin Luke, Forrest and Myrna Andrews, Jim Brewer, Glen and LaRue Bevel, Richard Hawk, Mike and Marla Sweaney, J.C. and Marilyn Ash and Bob Mooney. The Mid Continent Corvair Club did a great job in putting on the show and passed the baton to Tulsa to host the Second Annual Show in 2006. More about that later. Our members did well in the competitions: Bob Mooney took First Place in the People's Choice, (Late Open), and Concours winners included J.C. Ash (90.99), Forrest Andrews (88.18), and Richard Hawk (89.97). We had four Corvairs in the show and all four received an award. Way to go Tulsa! There were many funny and not-to-funny things that happened but overall everyone had a great time. Marvin took one of our display boards from the Tulsa Auto Show and it was a big hit. The picture shows our group (missing the Ash's and Hawk) standing

in front of the display. Richard Hawk entered two cars in the Valve Cover Races, both of which were decorated by his daughter. Richard ran well but was eliminated from the final heat. One of his cars suffered a "flat tire", a problem also suffered by another of our members on his way to Wichita. Richard used Compact Discs as wheels on the affected vehicle and learned that the winning car used metal hard drives from old computers. While they looked the same, the CD's did not hold up as well. Here are Richard's entries (on the left) and shown at the right is the winning Valve Cover Race Car. The show ended with a banquet attended by sixty-seven people. At the conclusion of the banquet,

Roger Scott, President of GCCG, extended the invitation to everyone to attend the *Second Annual Great Plains Corvair Regional Show* to be held in Tulsa in 2006. The four sponsoring clubs, Tulsa, Oklahoma City, Kansas City and Wichita, agreed to rotate the venue for the show and Tulsa will be the site for 2006.

There were thirty-four cars were shown, divided evenly between earlyies and lates. Total registration was forty- four. All in all, the show was a success notwithstanding the rain all day Saturday. The Wichita club is to

be commended for a fine job in starting this Regional Event and it will be Tulsa's challenge to build upon that start and try to improve upon it. Our members unanimously voted to host this event and with that kind of support we should be successful.

NEW MEMBERS: Green Country Corvair Group welcomes **Paul and Irene Brinker** as new members. They joined at the October meeting. Paul and Irene have a 63 Monza coupe. They brought the car to the 15th Annual All Corvair Show where they met many of our members. Paul says he is looking for help from the members to bring his car back to its original glory. Be sure to come to the November meeting and meet Paul and Irene.

TULSA TO HOST GREAT PLAINS CORVAIR ROUNDUP: At the September meeting the members of the Club unanimously voted to extend the invitation to the Clubs in Wichita, Oklahoma City and Kansas City, that we host the *Great Plains Corvair Roundup* here in Tulsa in 2006. That invitation was extended and accepted by the other clubs on October 1. As a result we will be hosting this event. The dates are **September 22-24, 2006** and we have reserved space at the Tulsa Marriott Hotel, 71st and Lewis Avenue. We are in the process of outlining requirements and committees to make this show a success. This will require an effort from *all* members of the Club, including you. However, this Club has the expertise and manpower (and woman power) to do this job and we all look forward to a successful show in 2006.

DUES REMINDER: The following members' dues are now due or overdue:

Overdue: Patricia Carr, Dwain Anderson, Dale & Ann Vikse, Glen Bevel, Bill Brafford, John Jordan, Ed Orange, Sam Spears, John Zink.
